

GOTLUNCH! PLYMOUTH
PROVIDING PLYMOUTH'S CHILDREN A HEALTHY SUMMER LUNCH

Dear Parents of Plymouth School-Age Children,

GotLunch! Plymouth is very excited to announce the 6th year of its healthy summer lunch program for Plymouth children through 12th grade. Individuals, businesses, community service agencies, and faith-based organizations are cooperating to offer this program.

The purpose of the program is to fill the summer gap for children who receive free or reduced-price lunches during the school year, but receiving free/reduced lunch is NOT a requirement for participation.

To register, please fill out this form each year, and have your student return it to their teacher, the school nurse, or the school office. You may also mail the form to GotLunch! Plymouth, P.O. Box 337, Plymouth NH 03264, or register online at www.gotlunchplymouth.org. Once you are registered, you will receive a confirming letter or email.

If you have questions or comments, please email us at gotlunchplymouth@gmail.com, or call 536-3698.

**PLEASE SEE NEXT PAGE FOR IMPORTANT INFORMATION
AND TO REGISTER.**
